ACUVUE LensAssist

Take Comfort In ACUVUE® With Free, Virtual Contact Lens Support

Here's what your patients will learn:
- Hygiene
- Insertion & Removal
- Contact Lens Cleaning
- Do's & Don'ts

Prioritize patient contact lens safety and hygiene with free, virtual assistance through live chat, email or speaking with an expert on the phone.

Protect your staff in-office
Extend your practice’s relationship with patients
Use best-in-class patient training tools

Here's what your patients will get:
A digital step-by-step guide and training videos for putting in and taking out contact lenses, and proper cleaning and care. The videos and tools can be used in-office, allowing staff to maintain a safe distance from patients.

Training videos
Step-by-step guide

Important Safety Information: ACUVUE® and Contact lenses are indicated for vision correction. As with any contact lens or eye product, including contact lenses, users or prescribers may develop some sensitivity. While rare, some users may experience mild irritation, itching or discomfort. Lenses should not be prescribed if patients have any eye infection, or experience eye discomfort, excessive tearing, vision changes, redness or other eye problems. Consult the package insert for complete information. Complete information is also available from Johnson & Johnson Vision Care, Inc. by calling 1-800-843-3020, or by visiting www.jnjvisionpro.com.
