Stay tuned to your Inbox for the announcement that the Winter 2016 issue of *Eye on Education* — the online newsletter from the Association of Schools and Colleges of Optometry (ASCO) — is available.

In the issue, you can read about the recent appearance of ASCO President Karla Zadnik, OD, PhD, on *All Sides with Ann Fisher*, a public affairs talk show broadcast by WOSU 89.7 NPR News in Ohio. The discussion with Dr. Zadnik coincided with the Centers for Disease Control and Prevention's Contacts Lens Health Week.

**Also:** Visit ASCO's website to take advantage of a variety of resources, including the recently posted "Career Opportunities for ODs in Academia: Teaching & Research Needs," a PowerPoint module that explores the need for increasing the faculty ranks at optometric institutions.
