Stay tuned to your Inbox for the announcement that the Winter 2016 issue of *Eye on Education* — the online newsletter from the Association of Schools and Colleges of Optometry (ASCO) — is available.

In the issue, you can read about the recent appearance of ASCO President Karla Zadnik, OD, PhD, on *All Sides with Ann Fisher*, a public affairs talk show broadcast by WOSU 89.7 NPR News in Ohio. The discussion with Dr. Zadnik coincided with the Centers for Disease Control and Prevention’s Contacts Lens Health Week.

Also: Visit ASCO’s website to take advantage of a variety of resources, including the recently posted “Career Opportunities for ODs in Academia: Teaching & Research Needs,” a PowerPoint module that explores the need for increasing the faculty ranks at optometric institutions.
