Call for Papers

Theme Edition to Focus
on Global Optometric Education

We are pleased to announce a theme edition of the journal that will be dedicated to global optometric education. We welcome manuscript submissions that highlight research, curricula, pedagogy, public health initiatives and other projects that align with the theme edition's mission of sharing ongoing efforts to advance the profession of optometry worldwide.

You may submit your manuscript in the customary format [https://journal.opted.org/publication-guidelines/] or as an informational report or article. Content-specific reviewers will be assigned to support atypical submissions.

The submission deadline for this theme edition is January 2024. Send your cover letter with an intact and blind copy of your manuscript to submissions@opted.org. Email *Optometric Education* Editor Keshia Elder, OD, MS, MS, FAAO, if you have any questions about the theme edition.
